Echo Global Logistics Ranks #2 on Inbound Logistics' Top 10 3PL List

Readers Name Echo to Prestigious List Five Years in a Row

CHICAGO, IL -- (Marketwired) -- 07/13/15 -- Echo Global Logistics, Inc. (NASDAQ: ECHO), a leading provider of technology-enabled transportation and supply chain management services, announced today that the company ranked #2 in the 2015 *Inbound Logistics'* Readers' Choice Top 10 3PL Excellence Awards. Echo will be listed among the winners in the magazine's July issue.

This marks the fifth year in a row Echo has appeared on the Top 10 3PL list. The company earned second place this year, up from the fourth spot in 2014 and eighth in 2013.

"As a company founded only 10 years ago, we're proud of our quick ascent up the Top 10 3PL list," said Douglas R. Waggoner, Chief Executive Officer and Chairman of the Board of Directors at Echo. "It's a true honor to know this recognition of Echo comes from executives and supply chain professionals across a wide range of industries, who trust our commitment to outstanding service, our expertise in multimodal freight brokerage solutions and our proprietary technology to take the 'complicated' out of transportation management."

Echo was ranked the #2 3PL by logistics industry publication *Inbound Logistics*, which conducts an annual readers' survey to determine the Top 10 3PL list. Participants in the voting represent all types of organizations, ranging from small businesses to global enterprises. They come from a variety of job functions, including corporate management, supply chain purchasing and management, transportation and traffic management, and logistics/distribution.
