Echo Global Logistics, Inc. to Offer 5,000,000 Shares of Common Stock and \$150,000,000 of Convertible Senior Notes

CHICAGO, IL -- (Marketwired) -- 04/27/15 -- Echo Global Logistics, Inc. (NASDAQ: ECHO), a leading provider of technology-enabled transportation and supply chain management services (the "Company"), today announced plans to offer 5,000,000 shares of its common stock ("Common Stock") and \$150,000,000 aggregate principal amount of convertible senior notes due 2020 (the "Notes") in concurrent underwritten registered public offerings (collectively, the "Offerings"). In addition, the Company expects to grant the underwriters 30-day options to purchase up to an additional 750,000 shares of Common Stock and \$22,500,000 aggregate principal amount of Notes from the Company, respectively. The Offerings are not contingent upon one another and are subject to market and other conditions.

The Notes will pay interest semiannually and will be convertible, under certain circumstances and during certain periods, into cash, shares of Common Stock, or a combination of cash and shares of Common Stock at the Company's election. The Notes will mature on May 1, 2020, unless repurchased, redeemed or converted in accordance with their terms prior to such date. If the purchase agreement relating to the Company's previously announced pending acquisition of Command Transportation, LLC (the "Command Acquisition") is terminated, the Company may redeem all, but not less than all, of the outstanding Notes for cash on a redemption date to occur on or prior to November 3, 2015. The interest rate and terms of the Notes, including the conversion rate of the Notes, will be determined by negotiations between the Company and the underwriters.

The Company currently intends to use the net proceeds of the Offerings to fund a portion of the purchase price of the Command Acquisition. In the event that the Command Acquisition is not consummated, the Company intends to use the net proceeds from the Offerings to fund the redemption of the Notes (if it so elects) and for working capital and general corporate purposes.
