Echo Global Logistics Named Top 10 3PL by Readers of Inbound Logistics

Annual Award Based on Input From Key Decision Makers From Various Industries Ranked Echo as Number Eight on 2013 List

CHICAGO, IL -- (Marketwired) -- 08/06/13 -- Echo Global Logistics, Inc. (NASDAQ: ECHO), a leading provider of technology-enabled transportation and supply chain management services, announced today its selection by *Inbound Logistics* magazine as a Readers' Choice: Top 10 3PL Excellence Award 2013 winner.

"We are very pleased to earn this recognition from *Inbound Logistics'* readers," said Douglas R. Waggoner, Chief Executive Officer of Echo Global Logistics. "Our proprietary technology and solution oriented team approach help us to simplify and uncomplicate the critical tasks involved in transportation management. Everyone at Echo is committed to working every day to take the complicated task out of transportation management for our clients."

Inbound Logistics conducts an annual readers' survey to determine the Top 10 3PL list. Respondents come from various job functions including corporate management, supply chain purchasing and management, transportation and traffic management, and logistics/distribution. This is the third consecutive year Echo has appeared on the Top 10 3PL list.

"Our publication looks closely at how logistics solutions providers give customers exemplary service and value," said Felecia Stratton, Editor, *Inbound Logistics*. "Echo Global Logistics is a worthy selection to the 2013 Top 10 3PL list because they consistently receive high marks for their personal service and ability to streamline clients' supply chain challenges."

About Inbound Logistics

Inbound Logistics is the pioneering educational publication of demand-driven logistics practices, or supply chain management. IL's educational mission is to guide businesses to efficiently manage logistics, reduce and speed inventory, and neutralize transportation cost increases by aligning supply to demand.
